BacPac Traveler

Sophisticated business backpack with lots of storage space

DICOTA's new BacPac Traveler offers elegance and lots of storage space to all those who want to look their best in their day to day business life. An attractive and robust mix of material and high-quality zips create the perfect look.

With its 2 partitioned main compartments and its expandability by means of a zip on the main body, the backpack not only offers optimum protection for Notebooks ranging up to 16.4" in size but also ample storage space for accessories and any other work or travel items. Pens, business cards, CD-ROMs etc. can be snugly stowed away in the front pocket with its integral workstation. The ergonomic back padding and adjustable shoulder straps ensure that the backpack sits snugly and is a real luxury to carry.
